This is to certify that the undersigned is the owner of the land shown on this plat and hereby acknowledges the same to be the plat of MONTICELLO PLACE - SEC. 2 and does hereby dedicate to public use the COURT & DRIVES shown thereon.

OWNERS: PHILLIP W. LEIGH, SR.

Phillip W. Leigh, Sr.

CERTIFICATE OF ACKNOWLEDGMENT

STATE OF KENTUCKY
COUNTY OF JEFFERSON SS

I, JAMES A. GREGORY, a Notary Public in and for the County aforesaid do hereby certify that the foregoing plat of MONTICELLO PLACE - SEC. 2 was this day presented to me by PHILLIP W. LEIGH, SR. known to me, who executed the Certificates in my presence and acknowledge it to be HIS free act and deed.

Witness my hand and seal this 31 day of MAY, 19 89

My Commission expires 23RD day of SEPTEMBER, 19 91

James A. Gregory
Notary Public

CERTIFICATE OF APPROVAL

Approved this 7TH day of July, 19 89

LOUISVILLE AND JEFFERSON COUNTY PLANNING COMMISSION

Charles Davis

CERTIFICATE OF RESERVATION OF ELECTRIC & TELEPHONE EASEMENTS

The spaces outlined by dashed lines and marked "electric and telephone easement" are hereby reserved as easements for electric and telephone utility purposes which includes, (1) the right of ingress and egress across all lots, access strips and ways to and from the easements. (2) the right to cut down or trim any trees within the easements. (3) the right to trim or cut down any trees outside easement area within 10' of the closest connection within the easement to a platted mark. (4) the right to cut down or trim any trees on private property that may be so defective as to any form a hazard to the utility lines after reasonable notice to the property owner. (5) the right to any utility company with said easements to remove permanent structures of obstructions within the easements. No permanent structures shall be erected within the easements. Fences, landscaping and planters may occupy easement area at property owner's risk. The developer is to remove all trees that may interfere with the original construction of the electric lines and underdrive wires to serve that subdivision.

(A) All property owners electric utility service lines shall be underground as soon-hold, determined by Louisville Gas and Electric Company. From L.G.&E.'s termination point (transformer, service pedestal or service wire) to customer's buildings, and this interest shall remain in and the cost of installation and maintenance thereof shall be borne individually by the respective lot owner upon which the said service line is located.

Appropriate easements are hereby dedicated and reserved to each property owner, together with the rights ingress and egress over abutting lots or properties to install, operate and maintain gas lines to L.G.&E.'s termination points. Gas lines, as installed, shall determine the exact location of said easements.

(B) The electric and telephone easements shown on this plat shall be maintained and protected in their property condition and no encroachment on him and no change in the grade of elevation thereof shall be made by any person or lot owner within the property or within of the Louisville Gas and Electric Company and South Central Bell Telephone Company.

(C) Easements for overhead electric transmission and distribution, tenant lines, poles and equipment appurtenant in connection therewith are reserved over across and under all spaces (including part, down and ordinary space areas), outlined by dash lines and designated for underground and overhead facilities).

Above ground electric transformers and pedestals may be installed at appropriate points on any electric easement.

In consideration of L.G.&E. providing service to the property shown on this plat it is granted the right to make further extensions of its lines from all overhead and underground distribution lines.

(D) Above ground telephone facilities and pedestals may be installed at appropriate points on any telephone easement.

NOTE

Also the right to overhang said main service wires to serve adjacent lots

OWNERS: PHILLIP W. LEIGH, SR.

Phillip W. Leigh, Sr.

CERTIFICATE OF RESERVATION OF SANITARY SEWER AND DRAINAGE EASEMENTS

An easement for sanitary sewer and drainage purposes is hereby reserved on, over and under the strips of land and towers as defined and bounded by dashed lines, marked "Sanitary Sewer and Drain Easement" together with the right of ingress and egress over all lots to and from the easements for construction, operation and maintenance of sewers and drains over said land. No permanent structure of any kind is to be placed on, over or under the land which is marked as said easements. The easements shall be for the benefit of the land in the subdivision and other land which naturally drains thereon and said sewers and drains may be constructed by the Louisville and Jefferson County Metropolitan Sewer District, or any other public agency having legal authority for such construction, or by others subject to approval by the aforesaid Sewer District.

OWNERS: PHILLIP W. LEIGH, SR.

Phillip W. Leigh, Sr.

CERTIFICATE OF RESERVATION OF GAS EASEMENT

The spaces outlined by dashed lines and marked "Gas Easements" are hereby reserved as easements for underground gas lines and appurtenances thereof, including the right to construct, operate, maintain, repair and remove such underground gas lines and appurtenances, and the right of ingress and egress over all lots to and from the easements and the right to cut down any trees within the easement that may interfere with the installation or operation of the lines. No permanent structure shall be erected within the easements. Any gas utility having said easement in common may remove permanent structure or obstruction within the easements. Fences, shrubbery and planters may occupy easement area at the property owner's risk.

(A) All property owners for utility supply lines shall be at locations designated by Louisville Gas and Electric Company (from L.G.&E.'s termination point throughout length of service and house lines and through customer's buildings), and title thereto shall remain in, and the cost of installation and maintenance thereof shall be borne individually by the respective lot owners upon which the said gas line serves.

Appropriate easements are hereby dedicated and reserved to each property owner, together with the right of ingress and egress over abutting lots or properties to install, operate and maintain gas lines to L.G.&E.'s termination points. Gas lines, as installed, shall determine the exact location of said easements

OWNERS: PHILLIP W. LEIGH, SR.

Phillip W. Leigh, Sr.

CERTIFICATE OF RESERVATION OF DRAINAGE RETENTION BASIN EASEMENT

Easements for drainage and detention purposes are hereby reserved on, and over the land and spaces as defined and bounded by dashed lines marked "Drainage Retention Basin Easement", together with the rights of ingress and egress over all lots to and from the easements, for construction, operation, maintenance and reconstruction of retention basins and other drainage improvements. No permanent structure of any kind shall be placed on or over the land within said easements except for drainage structures, pavements and landscape planting. The easements shall be for the benefit of the land in the subdivision and additional drainage improvements may be constructed by Louisville and Jefferson County Metropolitan Sewer District, Jefferson County, or by any other public agency having legal authority for such construction, or by others subject to approval of the aforesaid Sewer District or Jefferson County Works Department. Until said easement areas are accepted for maintenance by said Sewer District, Jefferson County, or another responsible public agency, said areas shall be maintained by the owners of the underlying fee simple title.

OWNERS: PHILLIP W. LEIGH, SR.

Phillip W. Leigh, Sr.

PROPERTY OWNER'S OBLIGATION

Certain improvements in this subdivision are required by the Metropolitan Subdivision Regulations as specified by an approved construction plan on file in the office of the Director of Works. It is the obligation of every property owner in the subdivision not to alter, alter or destroy those improvements and not to allow any condition or activity on his property that will impair the proper functioning of these improvements. For violation of this provision, the property shall be subject to the imposition of a lien for the amount necessary to remedy the violation which may be enforced in the same manner that mortgages are enforced, and personal responsible shall be subject to fine

NOTICE OF BOND REQUIREMENT

After construction approval and release of the undersigned subdivider's bond by the Louisville and Jefferson County Planning Commission, the owner of any lot may be required to post a cash bond in the amount of $100.00 as a condition of obtaining a building permit pursuant to Section 2.70 of the Metropolitan Subdivision Regulations.
