Part No.

CERTIFICATE OF OWNERSHIP AND DEDICATION

This is to certify that the undersigned is the owner of the land shown on this plat and hereby acknowledges the same to be the plat of

MONTICELLO PLACE SECTION 3A-2

and does hereby dedicate to public use the

Place and Court

shown thereon.

OWNERS: Phillip W. Leigh

CERTIFICATE OF ACKNOWLEDGEMENT

State of Kentucky
County of Jefferson SS

I, Dennis L. Cottner
Notary Public in and for the county aforesaid do hereby certify that the foregoing plat of Monticello Place Sect. 3A-2

was this day presented to me by Phillip Leigh

known to me, who executed the Certificates in my presence and acknowledge to be his free act and deed.

Witnessed my hand and seal this 16th day of March 1992

My commisson expires 13th day of Dec. 1992

Dennis L. Cottner
notary public

CERTIFICATE OF WATER LINE EASEMENT

Permanent easement(s) for water mains and appurtenances are hereby reserved on, over, under and through the strip(s) of land as defined and bounded by dashed lines marked "Louisville Water Company Easement" together with the right of ingress and egress over all lots to and from the easements(s) for constructing, repairing, removing, replacing, relocating, reconstructing, maintaining and enlarging of water mains. No permanent structure of any kind shall be erected or the grade of the surface of the land changed within the said easement(s) without written consent of Louisville Water Company. Fences, shrubbery, and gardens may occupy easement area at the owner's risk. Temporary rights are hereby reserved to use land adjacent to the permanent easement(s) herein granted for storage and movement of excavated earth, rock, construction materials, tools, and equipment during construction of said water lines.

Phillip W. Leigh

CERTIFICATE OF APPROVAL

Approved this 16th day of April 1992
Louisville and Jefferson County Planning Commission

Charles A. Davis

ELECTRIC & TELEPHONE EASEMENTS

The spaces outlined by dashed lines and marked "electric and telephone easement" are hereby reserved as easements for electric and telephone utility purposes, which include: (1) the right of ingress and egress across all lots, access areas, and ways to and from the easements; (2) the right to cut down or trim any trees within the easement; (3) the right to trim or cut down any trees outside easement area within 10' of the closest conductor within the easement or a public way; (4) the right to cut down or trim any trees on private property that may be so defective as to present a hazard to the utility lines after reasonable notice to the property owner; (5) the right of any utility company using said easements to remove permanent structures or obstructions within the easement. No permanent structures shall be erected within the easement. Fences, shrubbery and gardens may occupy easement area at property owner's risk. The developer is to remove all trees that may interfere with the original construction of the electric lines and telephone lines to serve this subdivision.(A) All property owners electric utility service lines shall be underground at locations designed by Louisville Gas and Electric Company (from L.G.&E.'s termination point throughout length of service lines to customer's building); and title thereto shall remain in, and the cost of installation and maintenance thereof shall be borne individually by the respective lot owner upon which the said service line is located. Appropriate easement are hereby dedicated and reserved to each property owner, together with the right ingress and egress over abutting lots or properties to install, operate and maintain electric service lines to L.G.&E.'s termination points. Electric service lines, as installed shall determine the exact location of said easements.(B) The electric and telephone easements shown on this plat shall be maintained and preserved in their present condition and no encroachment therein and no change in the grade or elevation thereof shall be made by any person or lot owner without the consent in writing of the Louisville Gas and Electric Company and South Central Bell Telephone Company.(C) Easements for overhead electric transmission and distribution feederlines, poles and equipment appropriate in connection therewith are reserved over, across and under all spaces (including park, open end drainage space areas), outlined by dash lines and designated for underground and overhead facilities. Above ground electric transformers and pedestals may be installed at appropriate points in any electric easement. In consideration of L.G.&E.'s bringing service to the property shown on this plat it is granted the right to make further extensions of its lines from all overhead and underground distribution lines.(D) Above ground telephone facilities and pedestals may be installed at appropriate points in any telephone easement.
NOTE: Also the right to overhang lots with service wires to serve adjoining lots.

OWNERS: Phillip W. Leigh

LAND SURVEYOR'S CERTIFICATE

I hereby certify that this plat and survey were made under my supervision, and that the angular and linear measurements as witnessed by monuments shown hereon, are true and correct to the best of my knowledge and belief. This survey and plat meets or exceeds the minimum standards of governing authorities.

Greg Dale L.S. date 3-13-1992

CERTIFICATE OF RESERVATION OF GAS EASEMENT

The spaces outlined by dashed lines and marked "Gas Easement" are hereby reserved as easements for underground gas lines and appurtenances thereof, including the right to construct, operate, maintain, repair and remove such underground gas lines and appurtenances, and the right of ingress and egress over all lots to and from the easements and the right to cut down any trees within the easement that may interfere with the installation or operation of the lines. No permanent structure shall be erected within the easement. Any gas utility using said easement at option may remove permanent structure or obstruction within the easement. Fences, shrubbery and garden may occupy easement area at the property owner's risk.

Phillip W. Leigh

NOTES

1) Except as may be otherwise noted, all easements along property lines are bisected by said property lines.

2) Certain areas within subdivision contain a high water table. Soil and water characteristics may limit foundation design and may prohibit or restrict installation of basements in these areas.

3) Developer to remove all dead trees in right of way

4) Total area is 10.34 acres.

CERTIFICATE OF RESERVATION OF SANITARY SEWER AND DRAINAGE EASEMENTS

An easement for sanitary sewer and drainage purposes is hereby reserved on, over and under the strips of land and spaces as defined and bounded by dashed lines, marked "Sanitary Sewer and Drain Easement", together with the right of ingress and egress over all lots to and from the easements, for construction, operation and maintenance of sewers and drains over said land. No permanent structure of any kind is to be placed on, over or under the land which is subject to said easements. The easement shall be for the benefit of the land in the subdivision and other land which naturally drains therein, and said sewers and drains may be constructed by the Louisville and Jefferson County Metropolitan Sewer District, or any other public agency having legal authority for such construction, or by others subject to approval by the aforesaid Sewer District.

OWNERS: Phillip W. Leigh

CERTIFICATE OF RESERVATION OF DRAINAGE RETENTION BASIN EASEMENT

Easements for drainage and ponding purposes are hereby reserved on and over the land and spaces as defined and bounded by dashed lines, marked "Drainage Retention Basin Easement", together with the right of ingress and egress over all lots and from the easements, for construction, operation, maintenance and reconstruction of retention basins and other drainage improvements. No permanent structure of any kind shall be placed on or over the land within said easements, except for drainage structures, pavements and landscape planting. The easements shall be for the benefit of the land in the subdivision and additional drainage improvements may be constructed by Louisville and Jefferson County Metropolitan Sewer District, Jefferson County, or by any other public agency having legal authority for such construction, or by others subject to approval of the aforesaid Sewer District or Jefferson County Works Department. Until said easement areas are accepted for maintenance by said Sewer District, Jefferson County, or other responsible public agency, said areas shall be maintained by the owners of the underlying fee simple title.
