CERTIFICATE OF RESERVATION OF ELECTRIC & TELEPHONE EASEMENTS

The spaces outlined by dashed lines and marked "electric and telephone easement" are hereby reserved as easements for electric and telephone utility purposes, which include: (1) the right of ingress and egress across all lots, access areas, and ways to and from the easements. (2) the right to cut down or trim any trees within the easement; (3) the right to trim or cut down any trees outside easement area within 10' of the closest conductor within the easement or a public way, (4) the right to cut down or trim any trees on private property that may be so selective as to be- come a hazard to the utility lines after reasonable notice to the property owner; (5) the right to bar which company wave said easements to remove permanent struc- tures or obstructions within the easement. No permanent structures shall be erected within the easement. Fences, shrubbery and gardens may occupy easement area at property owner's risk. The landowner is to remove all trees that may interfere with the original construction of the electric lines and telephone lines to serve this subdivision.

(A) All property owners electric utility service lines shall be underground at loca- tions determined by Louisville Gas and Electric Company (from L.G.&E.) a ter- mination point (previously known as service lines) to customer's buildings; and title thereto shall remain in, and the cost of installation and maintenance thereon shall be borne individually by the respective lot owner upon which the said service line is located.

Appropriate easements are hereby dedicated and reserved to each property owner, together with the right of ingress and egress over abutting lots or properties to install, operate and maintain service lines to L.G.&E.'s termination points. Gas lines, as installed, shall determine the exact location of said easements.

(B) The electric and telephone easements shown on this plat shall be maintained and preserved in their present condition and no encroachment thereon and no change in the grade or elevation thereof shall be made by any person or any owner without the consent in writing of the Louisville Gas and Electric Company and South Central Bell Telephone Company.

(C) Easements for overhead electric transmission and distribution feeder lines, poles and equipment appropriate in connection therewith are reserved over across and under all spaces outside main, open and attached block dwellings, designated by dash and dot designation for underground and overhead facilities.

Above ground electric transformers and pedestals may be installed at appropriate points on any electric easement.

In consideration of L.G.&E. providing service to the properties shown on this plat it is granted the right to make further extensions of its lines from all overhead and underground distribution lines.

(D) Above ground telephone facilities and pedestals may be installed at appropriate points on any telephone easement.

NOTE

Also the right to overhang loss main services where to serve adjacent lots

CERTIFICATE OF RESERVATION OF SANITARY SEWER AND DRAINAGE EASEMENTS

An easement for sanitary sewer and drainage purposes is hereby reserved on, over and under the strips of land and spaces as defined and bounded by dashed lines, marked "Sanitary Sewer and Drain Easement", together with the right of ingress and egress over said lots to and from the easements for construction, operation and maintenance of sewers and drains over said lands. No permanent structure or any fence is to be placed on, over or under the land which is subject to said easements. The easement shall be for the benefit of the land in the subdivision and other land which naturally drains thereon, and said sewers and drains may be constructed by the Louisville and Jefferson County Metropolitan Sewer District, or any other public agency having legal authority for such construction, or by owners subject to approval by the aforesaid Sewer District.

OWNERS: PHILLIP W. LEIGH, SR.

Phillip W. Leigh, Sr.

CERTIFICATE OF RESERVATION OF GAS EASEMENT

The spaces outlined by dashed lines and marked "Gas Easements" are hereby reserved as easements for underground gas lines and appurtenances thereto, including the right to construct, operate, maintain, renew and remove such underground gas lines and appurtenances, and the right of ingress and egress over all lots to and from the easements and the right to cut down any trees within the easement that may interfere with the installation or operation of the lines. No per- manent structure shall be erected within the easements, nor has owner done said easement or action may remove permanent structure or obstruction within the ease- ments. Fences, shrubbery and garden may occupy easement area at the property owner's risk.

(A) All property owners gas utility supply lines shall be at locations designated by Louisville Gas and Electric Company (from L.G. & E.'s termination point throughout length of service and house lines and through customer's buildings), and title thereto shall remain in, and the cost of installation and maintenance thereof shall be borne individually by the respective lot owner upon which the said gas line serves.

Appropriate easements are hereby dedicated and reserved to each property owner, together with the right of ingress and egress over abutting lots or properties to install, operate and maintain service lines to L.G. & E.'s termination points. Gas lines, as installed, shall determine the exact location of said easements.

CERTIFICATE OF RESERVATION OF DRAINAGE RETENTION BASIN EASEMENT

Easements for drainage and ponding purposes are hereby reserved on and over the land and spaces as defined and bounded by dashed lines, marked "Drainage Retention Basin Easement", together with the right of ingress and egress over all lots to and from the easements, for construction, operation, maintenance and reconstruction of retention basins and other drainage improvements. No permanent structure of any kind shall be located on or over the land within said easements, except for drainage structures, pavements and landscape materials. The easements shall be for the benefit of the land in the subdivision and additional drainage improvements may be constructed by Louisville and Jefferson County Metropolitan Sewer District, Jefferson County, or by any other public agency having legal authority for such construction, or by owners subject to approval of the aforesaid Sewer District or Jefferson County Works Department. Until said easements areas are accepted for maintenance by said Sewer District, Jefferson County, or another responsible public agency, said areas shall be maintained by the owners of the subdivision fee simple title.

OWNERS: PHILLIP W. LEIGH, SR.

Phillip W. Leigh, Sr.

PROPERTY OWNER'S OBLIGATION

Certain improvements in this subdivision are required by the Metropolitan Sub- division Regulations as specified in an approved construction plan on file in the office of the Director of Works. It is the obligation of every property owner in the subdivision not to damage, alter or destroy those improvements and not to alter any condition or activity on his property that will impair the proper functioning of those improvements. For violation of this provision, the property shall be sub- ject to the imposition of a lien for the amounts necessary to remedy the violation which may be enforced in the same manner that mortgages are enforced, and per- sons responsible shall be subject to fine.

NOTICE OF BOND REQUIREMENT

After construction approval and release of the undersigned subdivider's bond by the Louisville and Jefferson County Planning Commission, the owner of any lot may be required to post a cash bond in the amount of $300.00 as a condition of obtaining a building permit pursuant to Section 2.10 of the Metropolitan Subdivision Regulations.

CERTIFICATE OF RESERVATION OF WATER LINE EASEMENT

Permanent easement(s) for water mains and appurtenances are hereby reserved on, over, under and through the strip(s) of land as defined and bounded by dashed lines marked "Louisville Water Company Easement" (together with the right of ingress and egress over all lots to and from the easement(s)) for construction, repairing, removing, replacing, reconstructing, maintaining and enlarging of water mains, but no permanent structure of any kind shall be erected on the grade or the surface of the land changed within the said easement(s) without written consent of Louisville Water Company. Fences, shrubbery, and gardens may occupy easement area at the owner's risk. Temporary rights are hereby reserved to use land adjacent to the permanent easement(s) herein granted for storage and movement of excavated earth, rock, construction materials, tools, and equipment during construction of said water lines.
