**AMENDMENT TO DECLARATION OF
COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR MONTICELLO PLACE, SECTION SIX [6]**

WHEREAS, Monticello Place is a residential subdivision (the "Subdivision") located adjacent to Billtown Road and Watterson Trail in southeastern Jefferson County, Kentucky;

WHEREAS, Section Six [6] of the Subdivision consists of lots 277 through 280, (collectively, the "Lots") which are more particularly described in the plat of Monticello Place which is of record in the office of the Clerk Of Jefferson County, Kentucky, in Plat and Subdivision Book 42, Page 53;

WHEREAS, by Declaration of Covenants, Conditions and Restrictions, Monticello Place, Section Six [6] (the "Restrictions") dated June 28, 1996, of record in the office of the aforesaid Clerk in Deed Book 6759, Page 888, the developer of Monticello Place, Phillip Leigh, subjected the Lots in Section Six [6] to certain restrictions set forth therein;

WHEREAS, Article V, Section 3, of the Restrictions, in pertinent part, provides that "[t]hese restrictions may be cancelled, altered or amended at any time by the affirmative action of the owners of 85 per cent of the lots subject to these restrictions including the Developers [sic] lots";

WHEREAS, the Monticello Place Community Association, Inc. (the "Association"), a Kentucky non-profit corporation, was formed to govern the Subdivision;

WHEREAS, the board of directors of the Association, by the adoption of appropriate resolution, has recommended that the owners of the Lots in Section Six [6] approve an amendment to the Restrictions, more fully described hereinafter, and the board has submitted same to said owners;

WHEREAS, through approval/proxy by at least 85 percent of the owners of the Lots including the Developer's lots located in Section Six [6] vesting authority in Steve Van Bogaert to execute the Amendment to the Restrictions set forth hereinbelow;

WHEREAS, as evidenced by the foregoing, all the requisite conditions precedent to approval of the amendment to the Restrictions have been fully satisfied;

NOW, THEREFORE, the Association hereby amends Article V, Section 1, of the Restrictions so that said section, as amended, shall state as follows:

Section 1. Enforcement. Enforcement of these restrictions shall be by proceeding at law or in equity, brought by an owner, or by the Developer or Association, as the case may be, against any party violating or attempting to violate any covenant or restriction, either to restrain the violation, to direct restoration and/or to recover damages. Failure of any owner, or the Developer and/or Association, as the case may be, to demand or insist upon observance of any of these restrictions, or to proceed for restraint of violations, shall not be deemed a waiver of the violation, or the right to seek enforcement of these restrictions. Should the Developer and/or the Association, as the case may be, initiate and successfully prosecute an action to enforce compliance with a restriction or covenant, the Developer and/or Association, as the case may be, shall be entitled to recover from the party found to have violated a/any restriction(s) or covenant(s) (in addition to any other available remedies at law or equity) all costs incurred by the Developer and/or Association, as the case may be, arising from or related to the initiation and prosecution of the action including, without limitation, attorney fees and expenses.

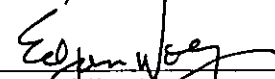

IN WITNESS WHEREOF, the Association and the owners of Lots in Section Six [6] execute this Amendment as of the date set forth below.
